

YOUNG PROFESSIONAL PROGRAMME 8th BATCH

BRAC: THE WORLD'S BIGGEST FAMILY

We are the largest development organisation in the world, operating in 12 countries across Asia and Africa. We act as a catalyst, creating opportunities for people living in poverty to realise their potential to transform their own lives.

We specialise in taking an idea, testing it, perfecting it and then scaling it up rapidly in a cost-efficient manner without compromising quality. We stand out from others not just for the scale and range of our work, but because of our relentless drive to innovate and correct our own errors. We work like a business, but instead of maximising profit, we maximise gains in quality of life, for all.

Our Young Professionals Programme develops leaders who are passionate about creating a better world.

The programme offers a challenging fast-track professional career where development is ensured through robust on-the-job training, classroom training and mentoring.
